SAY I DO WITH A VIEW

Located in **Baraboo, Wisconsin**, The Dells Barn will be opening in Spring of 2022 offering you the opportunity to have your event in our **historic, family-owned barn**. The Dells Barn was built by hand with reclaimed wood in 1957 and is full of theatre-style seats from the famous Al. Ringling Theatre. Previously, our barn was home to the Wisconsin Opry hosted by Virgil and Cindy Dickinson (and family) with their first show in 1979. Many country music legends have graced our stage and countless love stories started here! It has remained a true treasure to all who enter.

The unique beauty, acoustics, and charm set it apart from any other barn in the area. Its warm appeal is enhanced with an **incredible stage, two suites in the rear, an incredible serving center at the entrance, a vintage ticket booth, as well as sides that open up to the outside**. The Dells Barn is directly off the interstate, but still has the feel of the magnificent countryside. This is a beloved location and we ensure an awe-inspiring wedding, gathering, meeting, concert, or event.

**Seats up to 400 guests! Sides open up to the outside!
Vintage ticket booth & incredible serving center!**
